

CONSULTING SERVICES

In my previous role as Director of Event Logistics at USA Field Hockey, I have gained unique knowledge and skills in developing and managing events. Listed below are some of the experiences I would bring to this position:

- Site evaluation, negotiation and selection of venues throughout the U.S. for various outdoor and indoor events produced by USA Field Hockey.
- Represented USA Field Hockey at various sports conferences and conventions to promote events, evaluate venues and encourage sport development initiatives.
- Developed a wide network of city Sports Commissions, venue owners and operators and have established solid relationships with their personnel.
- Organized, produced and directed National and Regional events, as well as several International events held in the US during my tenure at USA Field Hockey.
- Venue set-up and breakdown including inbound and outbound shipping and storage of equipment and supplies.
- Established strong relationships with the constituents attending events including participants, coaches, team administrators, vendors and sponsors.
- Management of operations staff including national office employees, local organizing committees, volunteers and contract labor.
- Worked with our housing partner to secure hotels, rental cars and travel arrangements for staff, volunteers, and participants of events.
- Developed and managed all event budgets.

I would welcome the opportunity to speak with you further to discuss the impact my background and experience bring to you.
